MEMORANDUM FOR: [REDACTED]

Chief, PMS/TR

SUBJECT:

Special Training Program for Selected
Military Personnel

25X1A9a

25X1A9a

Will you please get together as soon as possible with [REDACTED] (x-3004) and review the problem of the attached memoranda. [REDACTED] will need help in the planning phases of this course and, though he will be primarily responsible for most of the instruction, I think your staff should do a good bit of the coordination necessary with the DD/P and the military along somewhat similar lines to those employed by [REDACTED] in his handling of the State Department course.

Director of Training
